Welcome Invitation

The British Hypertension Society is pleased to invite you to attend the 12th in its series of *Hypertension Masterclasses*. This CPD-accredited educational programme is designed to cover specialist topics in the field of hypertension, and is designed for both clinical and basic science members of the BHS, as well as non-members. It is the intention of the Society that the Masterclasses will support future hypertension specialist accreditation by providing continual professional development, and for this reason the Masterclasses are particularly relevant for SpRs.
